HISTORICAL SOCIETY: There were 42 visitors to the Pioneer Museum during the last month.

NEW BUSINESS:

S.O.T.S.: A contract was awarded to Dependable Disposal, to start in a few weeks.

NYSEG Easement: County Legislator David Knapp discussed the easement by NYSEG that would run from Binghamton to Sentinel Heights. National Grid now owns the trail they hope to follow. NYSEG has been going door to door speaking to residents and trying to have them sign a contract to allow the easement to run through their property. A few residents would have to allow NYSEG to take their home, not just a portion of their property. There are 25 properties in Fabius that would be affected by this easement. Mr. Knapp said Onondaga County has joined with Cortland and Broome Counties to form a group to further investigate this issue. As of last week, NYSEG may be backing off a bit. Upstate generates two times the power they use. Downstate may be losing one or more power plants.

Apulia Fire Station: Mr. Knapp was instrumental in acquiring a \$25,000 grant for an illuminated sign for the Apulia Fire Station.

OLD BUSINESS:

Swim Program: Mr. Chartrand stopped down to the swim area and said there were about 30 children and they were having the time of their lives. The program is doing a free swim and it seems to be working well.

PUBLIC COMMENT: Mr. Howard Schultz shared a complaint he has with his neighbor's National Grid line going to his private pole. Mrs. Vilardi explained that while the Board sympathizes with his situation, the Town has no jurisdiction over civil matters. He should contact a lawyer or National Grid directly.
